

## FINGER SVAER LANYARD

The Kaspro Finger Saver Lanyard is designed to enhance safety and efficiency in various industrial and manual handling applications. Engineered with high-quality materials, this lanyard helps protect users' fingers from potential injuries during lifting and rigging tasks.

### Features:

- 1. Durable Construction:** Made from high-strength materials to ensure long-lasting performance even in harsh working conditions.
- 2. Enhanced Safety:** The factory of safety (FoS) of 6:1 provides a significant margin of safety, reducing the risk of failure under load.
- 3. Optimal Size:** The 25mm width and 1000 mm length offer a balanced combination of flexibility and strength, making it suitable for a variety of applications.
- 4. Load Handling:** Capable of handling loads up to 100kg, making it ideal for light to moderate lifting tasks.

### Technical Specification:

Model:	Finger Saver Lanyard
Brand Name:	KASPRO
Belt /strap width:	25 mm
load Capacity:	100 kg
Length:	1000 mm
Factor of safety:	6:1

## Applications:

- . **Industrial Rigging:** Ideal for use in construction, manufacturing, and other industrial environments where lifting and securing loads are routine.
- . **Manual Handling:** Helps prevent finger injuries during the handling of heavy or awkward items in warehouse, workshops, and logistics operations.
- . **Maintenance and Repair:** Suitable for maintenance tasks where tools and equipment need to be securely fastened.

## Usage Instructions:

- 1. Inspection:** Before each use, inspect the lanyard for any signs of wear or damage.
- 2. Attachment:** Securely attach the lanyard to the load or object, ensuring the connection is firm and stable.
- 3. Lifting:** Proceed with the lifting or handling task, keeping fingers clear of pinch points.
- 4. Storage:** After use, store the lanyard in a dry, cool place away from direct sunlight to extend its lifespan.

## Safety Precautions:

- Always inspect the lanyard before use
- Do not exceed the load capacity of 100kg
- Ensure proper attachment to avoid accidental disengagement.
- Keep fingers and other body parts clear of pinch points during use.

## Warranty:

Kaspro provides a one-year warranty on the Finger Saver Lanyard, covering any manufacturing defects. For more details, please refer to the warranty documentation provided with the product.
